## Lifetime Warranty

HafcoVac takes pride in our product and values our customers. As such, HafcoVac offers a limited lifetime warranty to all original end-users of our products. Generally, this warranty applies to defects in material and workmanship when the product fails under normal conditions. Damage caused by conditions including, but not limited to the following are expressly excluded: modification to any component or assembly, solvents, corrosives, or harsh environmental conditions. Also excluded are all components considered consumables, such as gaskets, filters or exhaust silencers.

It shall be at the sole discretion of HafcoVac to either repair or replace a defective product or part with an identical or comparable unit. Shipping costs to and from HafcoVac will be the responsibility of the customer after 1 year from the date of purchase.

This warranty expressly excludes all claims of consequential or incidental damages which may arise as a result of product use or failure.
